To: - Vietnam Exchange
 - Hanoi Stock Exchange

Pursuant to Circular No. 96/2020/TT-BTC dated November 16, 2020 of the Ministry of Finance guiding information disclosure on the securities market, promulgating the Information Disclosure Regulation of the Hanoi Stock Exchange, Nam Song Hau Trading Investing Petroleum Joint Stock Company (Stock code: PSH) hereby provides an explanation regarding the business loss and the over-10% difference in after-tax profit compared to the same period of Quarter 2, 2025, as follows:

Unit: VND

Items	Figures in the Financial Statements/Income statement for Q2/2026	Figures in the Financial Statements/Income statement for Q2/2025	Difference
	1	2	3=1-2
1. Profit after tax			
-Separate Financial Statements	-154,225,963,646	-156,066,402,643	1,840,438,997

According to the separate financial statements, the net profit after tax for Q2/2026 was (154.225) billion VND. The main reason was the decrease in selling expenses, resulting in a lower operating cost compared to the same period in Q2/2025.

The above explanation pertains to the changes in profit after tax for Q2/2026 compared to the same period in the previous year (Q2/2025) as reported in the Separate Financial Statements of Nam Song Hau Trading Investing Petroleum Joint Stock Company.

Best regards./.
