2. Meetings of Board of Supervisors: In the first 6 months of 2026, the Board of Supervisors held 01 meetings, with the participation of 03/03 members of the Board of Supervisors.

3. Supervising Board of Directors, Board of Management and shareholders by Board of Supervisors

3.1. Result of Supervising Board of Directors

In the first six months of 2026, the PETROCONS Supervisory Board fully performed its functions and duties as stipulated by the Enterprise Law, the Corporation's Charter, and the approved 2026 operational plan. The Supervisory Board maintained regular monitoring activities; fully attended all meetings of the Board of Directors and the Executive Board at monthly briefing meetings and ad hoc meetings related to the Corporation's production and business activities to promptly grasp the actual situation, and at the same time carried out inspection and supervision of key areas in the Corporation's operations

The PETROCONS Board of Directors has seriously implemented the Resolution of the 2026 Annual General Meeting of Shareholders. The PETROCONS Board of Directors has issued directives and resolutions guiding the General Director; functional departments at the parent company; and representatives of capital in subsidiaries, affiliated companies, and financial investment companies. The Board of Directors has also implemented the Resolution of the Annual General Meeting of Shareholders, organizing production and business activities in a way that maximizes PETROCONS' resources while ensuring compliance with legal regulations, and has issued several documents and resolutions. The Board of Directors has played a leading role, overseeing the General Director's management in the operation of production and business activities to resolve difficulties, shortcomings, and limitations, prevent potential risks, maintain a stable production and business operation, and organize regular and extraordinary meetings, either in person or through written consultations, to issue resolutions and decisions to resolve issues within its authority according to the operating regulations of the Board of Directors and the Charter of the Corporation.

- The Board of Directors has played a guiding, supervisory, and supportive role in managing PETROCONS' production and business operations.

- The Board of Directors will continue to implement the restructuring and reorganization of PETROCONS' production and business activities in order to stabilize PetroCons' operations.

3.2. Result of Supervising Board of Management:

In the context of many difficulties and challenges, the Board of Directors of PETROCONS has managed and operated production and business activities in accordance with the decentralization between the Board of Directors and the Board of Directors. The Board of Directors has properly performed its role and responsibilities in the management of production and business activities, strictly and fully complying with the regulations and provisions of the law, Petrovietnam and the Corporation.

The Board of Directors has strengthened the implementation of cost reduction measures, strictly controlled expenses and cash flow to maintain production and business activities; implemented measures to strengthen internal resources and continued to promote marketing, bidding, and search for new jobs; actively searched for investors interested in receiving capital transfers at units as well as promoted work related to PETROCONS restructuring.

The payment of salaries to employees of the Corporation and the Project Management Board under the Corporation is carried out on the principle of linking salaries to the assigned job position, quality and efficiency of work, ensuring the life of employees working at the parent company of the Corporation, with stable income. However, there are still some units that have not had a source of work for many years, so they still owe salaries and social insurance..

3.3. With Shareholders:

- The Board of Supervisors has submitted a report to the 2026 Annual General Meeting of Shareholders approving the Board of Supervisors' performance report, the

Board of Supervisors' remuneration in 2025 and the Board of Supervisors' performance plan in 2026.

- For the largest shareholder, the Vietnam National Industry-Energy Group (Petrovietnam), the Board of Supervisors has fully implemented the monthly/quarterly/annual periodic monitoring reports and ad hoc reports when requested by the Group. The Board of Supervisors has submitted them in accordance with the prescribed content and deadline.

4. The coordination among the Board of Supervisors, the Board of Management, Board of Directors and other managers:

- The coordination of activities between the Board of Supervisors and the Board of Directors and the Board of Management is carried out on the principle of stability, sustainable development of the Corporation and ensuring the rights of Shareholders in accordance with the provisions of the Law and the Charter of the Corporation.

- In the first 6 months of 2026, the Board of Supervisors has closely coordinated with the Board of Directors and the Board of Management in the process of performing assigned tasks, coordinating in inspection and supervision activities according to regulations.

- The Board of Directors and the Board of Management have cooperated and created favorable conditions for the Board of Supervisors to perform its tasks, such as providing information and documents, assigning staff to coordinate with the Board of Supervisors when requested; participating in meetings of the Board of Directors and meetings of the Corporation.

- The Board of Supervisors has informed the Board of Directors and the Board of Management about the inspection and control plan for the year. The Board of Supervisors has coordinated with the functional departments of the Corporation in inspecting and controlling the activities of member units and reporting the results to the Board of Directors.

- Quarterly, the Board of Supervisors prepares quarterly and annual inspection and supervision reports to send to the Petrovietnam and at the same time to the Board of Directors and the General Director of PETROCONS.

- The Supervisory Board's activities have received support and facilitation from the Board of Directors, the General Director, and the audited entities in accordance with the audit requirements, helping to ensure that the audit results are objective and accurately reflect the nature of the Corporation's operations.
