**REVIEW REPORT ON INTERIM FINANCIAL INFORMATION**

**To: Shareholders, Board of Directors and General Director  
Dap Cau Sheet Glass Joint-Stock Company**

We have reviewed the interim separate financial statements of Dap Cau Sheet Glass Joint-Stock Company prepared on 13 August 2026 from page 06 to page 32 including: Interim Separate Statement of financial position as at 30 June 2026, Interim Separate Statement of income, Interim Separate Statement of cash flows for the six-month period then ended and Notes to Interim Separate financial statements.

**General Director's Responsibility**

General Director is responsible for the preparation and presentation of Interim Separate Financial Statements that give a true and fair view in accordance with Vietnamese Accounting Standards, Vietnamese Corporate Accounting System and the statutory requirements relevant to preparation and presentation of interim financial statements and for such internal control as General Director determines is necessary to enable the preparation and presentation of interim financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express a conclusion on these interim separate financial statements based on our review. We conducted our review in accordance with Vietnamese Standard on Review Engagements 2410 - Review of Interim Financial Information Performed by the Independent Auditor of the Entity.

A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Vietnamese Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**Auditor's Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying Interim Separate Financial Statements does not give a true and fair view, in all material respects, of the financial position of the Dap Cau Sheet Glass Joint-Stock Company as at 30 June 2026, and of its financial performance and its cash flows for the six-month period then ended in accordance with the Vietnamese Accounting Standards, Vietnamese Corporate Accounting System and the statutory requirements relevant to preparation and presentation of interim financial statements.

### Emphasis of Matter

As at 30 June 2026, the Company's Interim Separate Financial Statements reflect that current liabilities exceeded current assets by VND 54.54 billion, accumulated loss was VND 353.41 billion, equivalent to 117.80% of the owner's contributed capital; overdue payables amounted to VND 43.05 billion (Notes 11, 15) and overdue tax liabilities were VND 9.46 billion (Note 13). In addition, almost all of the Company's tangible assets are subject to relocation and change in land use purpose, have nearly fully depreciated, but have not been reinvested to maintain production and business operations (Note 10). The owner's equity have been continuously negative since 1 January 2025 (Note 17). Revenue has remained at a low level and the Company has incurred operating losses for many consecutive years resulting in a very limited ability to generate operating cash flows to sustain its operations. In addition, since 2018, the Bac Ninh Provincial Tax Department has issued decisions on invoice enforcement; the workforce has decreased significantly, and the Company has ceased production activities. These events, together with the issues stated in Note 1, indicate the existence of a material uncertainty that casts significant doubt on the Company's ability to continue as a going concern. However, the Interim Separate Financial Statements for the accounting period from 01 January 2026 to 30 June 2026 are still presented on a going concern basis.

Our conclusion is not modified in respect of this matter.

### Other Matter

Pursuant to Clause 11, Article 1 of Law No. 56/2024/QH15 dated 29 November 2024, amending Point (a), Clause 1, Article 32 of the Law on Securities, effective from 1 January 2026, as of 30 June 2026, the Company no longer meets the conditions to qualify as a public company because its owner's equity is less than VND 30 billion.
