**Board of Management' Responsibility**

The Board of Management is responsible for the preparation of Interim Separate Financial Statements that give a true and fair view in accordance with Vietnamese Accounting Standards, Vietnamese Enterprise Accounting System and the statutory requirements relevant to preparation and presentation of interim financial statements and for such internal control as management determines is necessary to enable the preparation of interim financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express a conclusion on the accompanying interim separate financial statements. However, because of the matters described in the section "Basis for Disclaimer of Conclusion", we were unable to obtain sufficient appropriate evidence to provide a basis for a conclusion on the accompanying interim separate financial statements.

**Basis for Disclaimer of Conclusion**

1. As disclosed in Note 10 – "Long-term unallocated expenses", the Company is recording the amount of VND 32,511,250,000 related to "Payment under Capital Transfer Contract No. 01/HĐCN". This amount represents the remaining value of a transaction in which the Company acquired a 20% capital contribution from Mr. Nguyen Tat Lac in Chackkaphanh Mining Group Co., Ltd (now Huatangnai Mining Group Co., Ltd) in 2010 for a total value of VND 77,022,500,000. The Company had recognized impairment losses with a cumulative amount of VND 44,511,250,000 in the financial statements for the years up to and including 2016. We were not provided with sufficient appropriate documentation to assess whether the remaining balance has been fully impaired or to determine the impact of this matter on the accompanying Interim Separate Financial Statements.
2. We were unable to assess the recoverability of the amount of VND 11,347,160,000 that the Company had advanced to Phong Thinh Co., Ltd under the Copper Ore Flotation Line Contract No. 09/2010 dated 08 September 2010 and its related appendices (Note No. 7 (1)). Accordingly, we are unable to determine whether any adjustments to the provision for doubtful debts or other related items in the accompanying Interim Separate Financial Statements are necessary.
3. The Company was unable to obtain the Interim Financial Statements for the accounting period from 01 January 2026 to 30 June 2026 of Viet Lao General Trading Joint Stock Company and has not considered any provision for impairment of its financial investment in this investee, with a carrying amount of VND 4,200,500,000 (Note No. 4). We were not provided with sufficient documentation to evaluate the potential impact of this matter on the accompanying Interim Separate Financial Statements.
4. We were unable to obtain the necessary documents to evaluate the recoverability of overdue trade receivables with a balance of VND 3.5 billion as at 30 June 2026. Therefore, we are

unable to determine whether any adjustments to the Provision for doubtful debts or other related items in the accompanying Interim Separate Financial Statements are required.

5. The Company has not recognized the cumulative payable for guarantee expenses from 01 January 2025 to 30 June 2025, amounting to VND 656 million. As a result, on the Interim Separate Statement of financial position for the previous period (from 01 January 2025 to 30 June 2025), the item "General and administrative expenses" (Code 26) was understated and item "Profit after corporate income tax" (Code 60) was overstated by VND 656 million.

#### **Disclaimer of Conclusion**

Due to the significance of the matters described in the "Basis for Disclaimer of Conclusion" paragraph, we have not been able to obtain sufficient appropriate evidence to provide a basis for a conclusion on the accompanying Interim Separate Financial Statements. Accordingly, we do not express a conclusion on these Financial Statements.
