

No.: 1214 /TTr-VTG

Hanoi, date 15 month 5 year 2025

**PROPOSAL TO THE GENERAL MEETING OF SHAREHOLDERS  
On the approval of Contracts and transactions with related parties**

To: General Meeting of Shareholders of Viettel Global Investment JSC.

Pursuant to the Law on Enterprises No. 59/2020/QH14 dated June 17, 2020 of the National Assembly of the Socialist Republic of Vietnam;

Pursuant to the current Charter of Viettel Global Investment JSC (“**Company**” or “**VTG**”);

Based on the actual operating situation of the Company,

The Board of Directors (“**BOD**”) would like to report on the results of the implementation of contracts and transactions carried out in 2024, the first quarter of 2025, and propose contracts and transactions with related parties in 2025 and 2026 as follows:

**I. Report on Contracts and transactions implemented in 2024 - 2025 (as of March 31, 2025)**

In 2024 and as of March 31, 2025, the Company has contracts, transactions to purchase equipment, services, solutions, and offset debts with related parties which are companies with capital contributions from Viettel Group (the parent company of VTG) and contracts to sell materials, equipment, services, software, and solutions to related parties which are companies with capital contributions from the Company. Specifically: 88 contracts have been signed, of which 17 contracts have a total value of **VND 126.5 billion** and 71 contracts have a value of **USD 72.4 million**.

In addition, in 2024 and the first 3 months of 2025, for small-value contracts for mail delivery; postal items; transportation, loading and unloading of goods; customs procedures; warehouse rental and management... (under 5 billion/transaction), Viettel Global is provided with preferential prices by member units of the Military Industry and Telecommunications Group, a total of 34 contracts with a total value of **VND 11,077,052,273**.

Company sells equipment, supplies and services to its subsidiaries in the markets to ensure the technological quality of the equipment, compatibility from design to construction, installation and exploitation as well as meeting the purchasing requirements of the market company.

When the Company purchases equipment in large quantities, it ensures a good price when selling to market companies. In addition, buying and selling equipment also creates a certain amount of revenue and commercial profit for the Company.

## **II. Report on guarantee work for Subsidiaries and Affiliates in 2024 and as of March 31, 2025**

In September 2024, the Board of Directors approved the policy of the Company to guarantee for Viettel Tanzania Plc (a subsidiary of the Company in the United Republic of Tanzania); extend the loan of 25 million USD at Vietinbank - German Branch, the guarantee value is 25 million USD, term of 3 years from the date of extension. For this content, Viettel Tanzania has successfully extended the loan.

## **III. Proposal to sign contracts and transactions with related parties in the period of 2025 - 2026**

According to the production and business plan, investment and procurement of subsidiaries in the markets in 2025 and the forecast investment plan in early 2026, the Company continues to participate in competition and provide equipment, goods, systems, software, Information Technology (IT) solutions, support services, consulting, transportation services, and management services for these companies.
