Re: Explanation of business results  
for the Second Quarter of 2026

To: - State Securities Commission;  
- Hanoi Stock Exchange;  
- Shareholders of the Company,

Pursuant to Circular No. 96/2020/TT-BTC dated November 16, 2020 of the Ministry of Finance, and in accordance with the regulations of the Hanoi Stock Exchange on information disclosure in the securities market, Nui Beo Coal Joint Stock Company - Vinacomin hereby provides an explanation for the discrepancies in business performance results for the second quarter of 2026 compared to the second quarter of 2025 as follows:

1. The financial statements for the second quarter of 2026 currently reflect provisional figures, as the Company has not yet finalized cost settlements with the Vietnam National Coal - Mineral Industries Group.

2. The Company estimates its profit after tax for the second quarter of 2026 at 20.795.683.544 VND, representing an increase of VND 16.285.777.025 VND compared with the second quarter of 2025. The primary reason for this increase is that, during the second quarter of 2026, the Company recognized a gain of 13.810.820.244 VND from the disposal and liquidation of a batch of fixed assets and materials.

Through this document, Nui Beo Coal Joint Stock Company - Vinacomin respectfully provides its explanation regarding the business performance for the second quarter of 2026.

We sincerely thank and respectfully ask for the understanding of the State Securities Commission, the Hanoi Stock Exchange, and the Company's shareholders.
