#### 3. Supervisory Activities of the SB towards the BOD, the General Director's Board, and Shareholders:

- Regarding the operational activities of the company's BOD:

All meetings of the Board of Directors ("BOD") are conducted in accordance with the procedures and regulations stipulated in the Enterprise Law, the Company Charter, and the BOD's operating regulations, promptly resolving proposals and recommendations from the General Director arising during the production and business process. The BOD has closely supervised the activities of the General Director's Board in production and business operations, and monitored the implementation of the Resolutions of the General Meeting of Shareholders.

- Regarding the implementation by the General Director's Board:

The General Director's Board has effectively implemented the Resolutions and Decisions of the BOD, complying with internal regulations and rules.

The Company's operating regulations have been well implemented by the General Director's Board, ensuring better planning and systematization of production and business activities.

Proactively manage daily, weekly, monthly, quarterly, and annual production and business operations according to the established plan, ensuring synchronization from management levels to departments, boards, and production workshops. Timely propose cost-saving solutions and effective production management in each phase.

The Board of Directors strictly implements financial management regulations, flexibly utilizes the company's capital, and operates machinery and equipment to ensure occupational safety for employees.

#### **4. Coordination between the Supervisory Board (SB) and the Board of Directors (BOD), the Board of General Directors, and other management personnel:**

The company's BOD meetings invite the Supervisory Board to participate and contribute opinions to the Board of Directors during the development of company management regulations and issues related to management and operation of the production and business plan.

Participate in comprehensive oversight of the company's activities, providing warnings for the General Director and relevant departments to implement. Coordinate with departments to conduct audits, review financial reports, and other independent audit reports.
