No: 47...../2025/CV-HIO

Hanoi, October 24, 2025.

*Regarding: Disclosure of Interim  
Consolidated Income Statement for 3<sup>rd</sup>  
Quarter of 2025*

**Honorable: The State Securities Commission;  
Hanoi Stock Exchange.**

Based on Circular No. 96/2020/TT-BTC dated November 16, 2020, issued by the Ministry of Finance on providing guidelines on disclosure of information on securities market.

Based on Circular No. 68/2024/TT-BTC dated September 18, 2024, issued by the Ministry of Finance amending and supplementing several articles of Circular No. 96/2020/TT-BTC dated November 16, 2020, issued by the Ministry of Finance on providing guidelines on disclosure of information on securities market.

Helio Energy Joint Stock Company (*hereinafter referred to as "the Company"*) with ticker HIO would like to explain to the State Securities Commission and the Hanoi Stock Exchange the differences in net profit after tax on the consolidated financial statements for 3<sup>rd</sup> Quarter of 2025 as follows:

Currency: VND

No	Indicator	Q3/2024	Q3/2025	Year-over-year comparison	
				Difference	Percentage (%)
1	Net profit after tax	2,471,207,065	3,400,341,596	929,134,531	37.6%

In 3<sup>rd</sup> Quarter of 2025, the Company recorded net profit after tax VND 3,400,344,596 representing an increase of VND 929,137,531 or 37.6% compared to the third quarter of 2024, mainly due to the following reasons:

Although revenue from sale of goods and rendering of services decreased by VND 2,315,227,291 compared to the same period in 2024, mainly due to a decline in electricity sales revenue. However, several of the Company's expenses recorded in the third quarter decreased compared to the same period last year. Specifically, financial expenses decreased by VND 1,039,732,611 primarily due to the partial repayment of loan principals during the period, which led to a reduction in interest expenses in the third quarter of 2025 compared to the same period in 2024. Other expenses decreased by VND 1,034,374,976 compared to

the same period in 2024. Concurrently, the Company adjusted deferred corporate income tax expenses relating to non-deductible interest expenses, thereby reducing corporate income tax expenses by VND 1,291,075,921 compared to the corresponding period of the previous year.

The Company respectfully submits this report to inform the State Securities Commission and Hanoi Stock Exchange of the changes in the Company's after-tax profit.

Best Regards./.
