“Regarding the shift from a net loss in the same period of the previous year to a net profit in the current period”

**Dear:** Hanoi Stock Exchange (HNX)

Pursuant to the Financial Reports for the third quarter of 2025 and the third quarter of 2024, the financial data of Vang Danh Coal Joint Stock Company – Vinacomin shows a change in net profit after tax between the two periods.

Specific figures are as follows:

- Net profit after tax in Q3 2025: VND 14,166,932,388;
- Net profit after tax in Q3 2024: VND -57,342,831,848.

The Company would like to provide the following detailed explanation:

In the third quarter of 2024, Typhoon No. 3 (Yagi) made landfall in Quang Ninh province on September 7, 2024, causing serious damage to people and property. Due to the impact of heavy rain, two production areas of the Company were flooded and could not operate. The Company had to suspend production to remedy the situation and restore operations. The Company incurred costs for equipment repair, labor costs, etc., leading to a loss of VND - 57,342,831,848.

In the third quarter of 2025: The Company resumed stable production operations. Although product consumption faced difficulties, the Company still managed to operate profitably.

The above is the explanation regarding the shift from a net loss in the same period of the previous year to a net profit in the current period of Vang Danh Coal Joint Stock Company – Vinacomin, submitted to the Hanoi Stock Exchange.

Sincerely,
