Pursuant to Circular No. 96/2020/TT-BTC dated November 16, 2020 of the Ministry of Finance guiding information disclosure on the securities market, Petrolimex Nghe Tinh Transportation and Service Joint Stock Company (the "Company") would like to provide the following explanation regarding the fluctuation in profit for the first nine months of 2025 compared to the same period in 2024:

According to the financial statements for the first nine months of 2025, the Company recorded a net profit after tax of VND 14,018,868,041, representing an increase of 17% compared to the same period in 2024 (VND 11,981,995,281), mainly due to the following reason:

- The Company successfully expanded into new markets, resulting in an increase in transport volume compared to the same period last year. Consequently, profit from the transportation business segment increased, having a positive impact on the overall business performance of the Company.
