b) Changes and Adjustments

Deferred investment in the Yen Hoa Office Building Project to focus on owner-invested projects (Residential project located in Long Tan and Phu Hoi, Nhon Trach, Dong Nai and Housing Project for Dung Quat Refinery Employees in Quang Ngai).

c) Reason for Change

In 2011, PV2 prioritized the allocation of capital to projects where the Company served as the Primary Investor. Simultaneously, a portion of the funds was strategically deployed into short-term financial services to capitalize on market opportunities during a period of capital scarcity, thereby enhancing overall investment efficiency. Consequently, the Company temporarily deferred its investment in the Yen Hoa Premium Office Building project in Cau Giay, Hanoi, as originally planned.

On April 25, 2012, the 2012 Annual General Meeting of Shareholders of PV2 Investment Joint Stock Company ratified Resolution No. 01/NQ-ĐHĐCĐ, which included strategic adjustments to the capital utilization plan for the proceeds raised from the offering, as below:

No.	Project Name	Adjusted Investment Plan (VND)	Actual Amount Disbursed (VND)
1	Residential project located in Long Tan and Phu Hoi, Nhon Trach, Dong Nai	30,460,000,000	50,460,000,000
2	Office building project in Bien Hoa, Dong Nai	2,821,000,000	2,821,000,000
