*“Explaining the difference in profit after tax
on the 2nd quarter of the year 2025 in Financial
Statements of DAKRUCO(stock code: DRG)”*

To: Hanoi Stock Exchange

Pursuant to Circular No. 96/2020/TT-BTC dated November 16, 2020 of the Ministry of Finance on Guidance on disclosure of information on the stock market.

Dak Lak Rubber Joint Stock Company now reports to Hanoi Stock Exchange on the explanation of profit difference in the parent company's Financial Statements (Separated Financial Statements) and consolidated statements (Consolidated Financial Statements) for the 2nd quarter of the year 2025 compared to the same period in the year 2024, specifically as follows:

1. Parent Company Financial Statements (Separated Financial Statements) Profit after income tax in the 2nd quarter of the year 2025 on the Separate Financial Statements decreased by VND 7,6 billion compared to the same period last year. The reasons are:

(i) Financial income for this period decreased compared to the same period last year.

(ii) Current corporate income tax expenses incurred this period were higher than those of the previous period.

2. Consolidated Financial Statements (CFS- Consolidated Financial Statements) Net profit after corporate income tax in Q2/2025 on the Consolidated Financial Statements increased by VND 99.8 billion compared to the same period last year. The increase was mainly due to:

(i) Selling expenses and general & administrative expenses decreased compared to the same period last year;

(ii) Profit from associates and joint ventures increased compared to the same period last year.

The above written explanation for some contents of the 2nd quarter 2025 financial statements of Dak Lak Rubber Joint Stock Company. Dak Lak Rubber Joint Stock Company respectfully reports to the Hanoi Stock Exchange and all Shareholders of the Company.

Sincerely!
